Hard words

This booklet has some hard words.

The first time we write a hard word

- the word is in **blue**
- we will write what the hard word means.

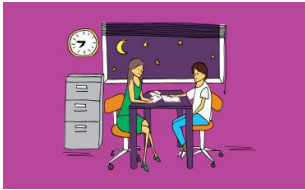

What we say

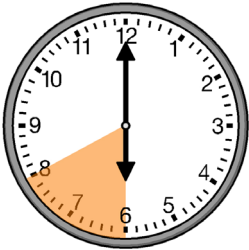

We work on Aboriginal land.

We respect Aboriginal elders.

What we do

We have a service called **Night Time Legal Advice Service**. We call this NTLAS.

This is legal help that

- is from 6:00pm to 8:00pm on Tuesday nights

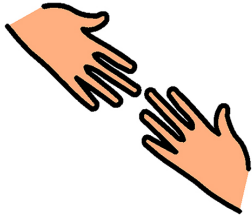

- is free

- is **confidential**.

This means we will **not** tell anyone

- your name
 - what you talk about
- unless you want us to.

How we can help

Some of the things we can help with are

- problems at work
- problems with a shop

- traffic problems

- family law

- money you owe

- complaints

- **finances.**

This is money you pay when you break a rule.

- **minor crimes.**

This is a small thing you have done wrong.

For example, if you drive with **no** licence.

We have 1 lawyer at our service.

Everyone else is a **volunteer**.

This means they are **not** paid to help you.

We want to help you.

We can only give you help for a short time.

What we can not do

We can **not** help you with

- housing

- **Centrelink.**

This is money you get from the government.

- **Disability discrimination.**

This is when you are treated unfairly because of disability.

If you need help with these you can call our other services.

To contact our other services go to page 8.
