## Hard words

This booklet has some hard words.

The first time we write a hard word

- the word is in **blue**
- we will write what the hard word means.

## What we say

We work on Aboriginal land.

We respect Aboriginal elders.

## What we do

We have a service called  
**Social Security Law.**

This is legal help that

- gives you help with Social Security and **Centrelink.**

This is money you get from the government.

- is free

- is **confidential.**

This means we will **not** tell anyone

- your name
- what you talk about

unless you want us to.

## How we can help

We can help if your payments

- stop
- become less
- are put on hold.

We can also help if

- you are paid too much
- you are **not** paid enough

- you want to know how much money you can get

- Centrelink say **no** to what you ask.

We can help you in different ways.

We can

- talk to Centrelink for you

- help you if you need to go to court

- help you **appeal** Centrelink decisions.

This means you ask Centrelink to think about the decision again.
