Canberra Community Law acknowledges the Ngunnawal people as the traditional custodians of the land on which we work in the ACT and surrounding region and recognise any other people or families with connection to the lands of the ACT and region. We pay our respects to First Nations elders past, present and future for they hold the stories, traditions and the cultures of their people.

We are grateful that we share this land and express our sorrow for the costs of this sharing to Australia's First Peoples. We will continue to acknowledge the legacy of our history and strive in our goals to empower our community through social justice. We hope that our efforts will contribute to a realisation of equity, justice and partnership with the Traditional Custodians of this land.
